**INDIVIDUAL SCORE ENHANCEMENTS for ADVANCE PURCHASE**

*Get those ridiculously low scores by maxing out on score enhancements!*

**MULLIGANS:** (Cost is \$5 per mulligan. Limit of 2 per golfer.)

How it works:

A player may select at any time\* to re-hit their last shot.

This can be done anywhere\* on the course. It can be from the tee box\*, on the green or anywhere in between.

You must announce that you are using a mulligan and, after that is decided, you cannot reuse that mulligan.

**\*Please note: Mulligans cannot be used on a hole that you are "Playing Like a Pro".**

**PLAY LIKE A PRO for MEN:** (Cost is \$5 per golfer. Limit of 2 per golfer.)

How it works:

The *Play Like a Pro* man selects a hole\* for him to Play Like a Pro.

The *Play Like a Pro* man golfer tees off from the ladies' tee box on that selected hole.

The other members of the team must hit from their designated tee.

The team then decides which ball to use to continue play.

**\*Please note: Mulligans cannot be used on Ladies' Tee Box when using "Playing Like a Pro".**

**PLAY LIKE A PRO for WOMEN:** (Cost is \$5 per golfer. Limit of 2 per golfer.)

Basically, the *Play Like a Pro* woman golfer's tee shot does not count as a stroke; she is sitting 0 after her tee shot.

How it works:

The *Play Like a Pro* woman selects a hole\* for her to *Play Like a Pro*.

The *Play Like a Pro* woman golfer tees off from the ladies' tee box.

The other members of the team must hit from their designated tee.

That *Play Like a Pro* woman golfer then hits her ball from where her tee shot landed.

She is then sitting 1 like the rest of the team.

The team then decides which ball to use to continue play.

**\*Please note: Mulligans cannot be used on the first two strokes when using "Playing Like a Pro".**

**FREE THROW:** (Cost is \$5 per golfer. Limit of 2 per golfer.)

How it works:

Not including the tee shot, you and your team can decide at any time to use your Free Throw and that throw will not count as a stroke.

Prior to the team hitting their next shot, the person who purchased the free throw will pick up the ball of Captain's Choice and throw the ball only once.

Then the team continues normal play from where the throw landed.

The Free Throw is NOT counted as a stroke.

**TEE IT AGAIN SAM:** (Cost is \$5 per golfer. Limit of 2 per golfer.)

Yes, we know. The line in Casablanca was actually "Play it, Sam," but we don't care. It sounds better this way.

How it works:

After you tee off, on a hole of your choice, you can tee the ball up again (one time) at the captain's choice location.

The other golfers of the foursome hit from the turf.
