**Glade Run Lutheran Services** (GladeRun.org) is a non-profit organization that provides educational, mental health and autism services in both educational and community settings. Program offerings include treatment for children with emotional health issues, private education for students with behavioral health issues and autism, community-based mental health and autism services, and innovative therapeutic programs in our community.

**St Stephen's Lutheran Academy** (GladeRun.org) is a licensed, private K-12 school dedicated to providing a positive, safe, and nurturing learning community. School districts place students at St. Stephen's so that the child can benefit from therapeutic interventions in an educational setting. St. Stephen's has been recognized as a model program in Pennsylvania for School-Wide Positive Behavior Intervention and Support.
